**Traffic pattern changes on State Line Road scheduled for Sept. 17
for Johnson County Wastewater project**

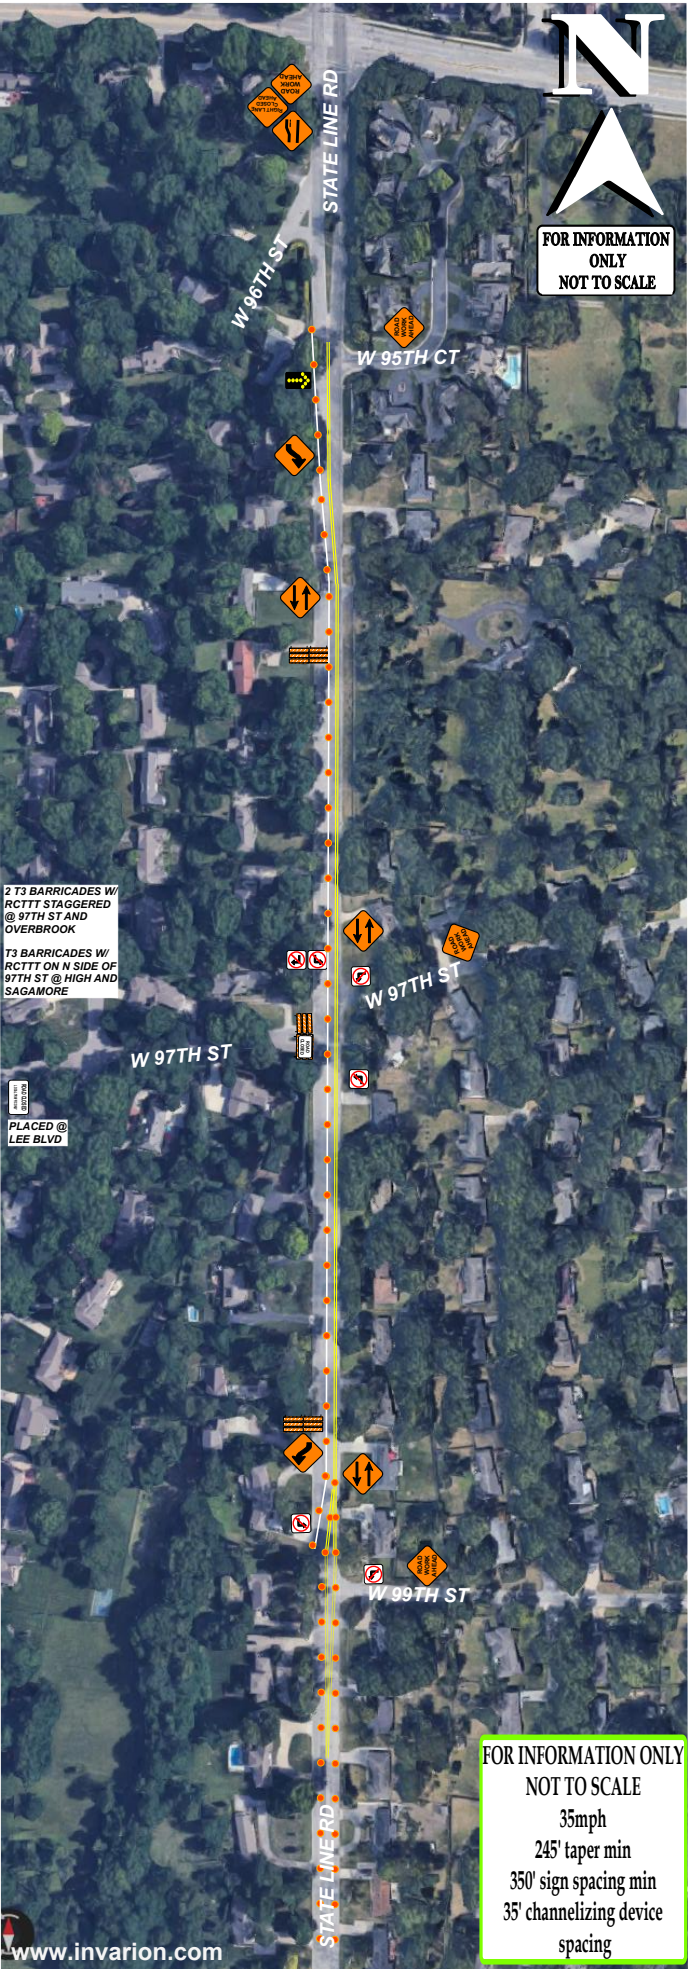

(JOHNSON COUNTY, KANSAS – Sept. 16, 2026) Beginning Thursday, Sept.17, the traffic control on 95th and State Line Road is scheduled to be removed. Traffic control will change to allow one northbound and one southbound lane from 95th Street to 103rd Street. Please see attached map for updated traffic control plan.

This work is part of the State Line Pump Stations and Forcemain project. To learn more about this project, or to sign up for notifications, please visit us online at jcwprogram.com/stateline.
