### **Lane closure on State Line Road scheduled for March 11**

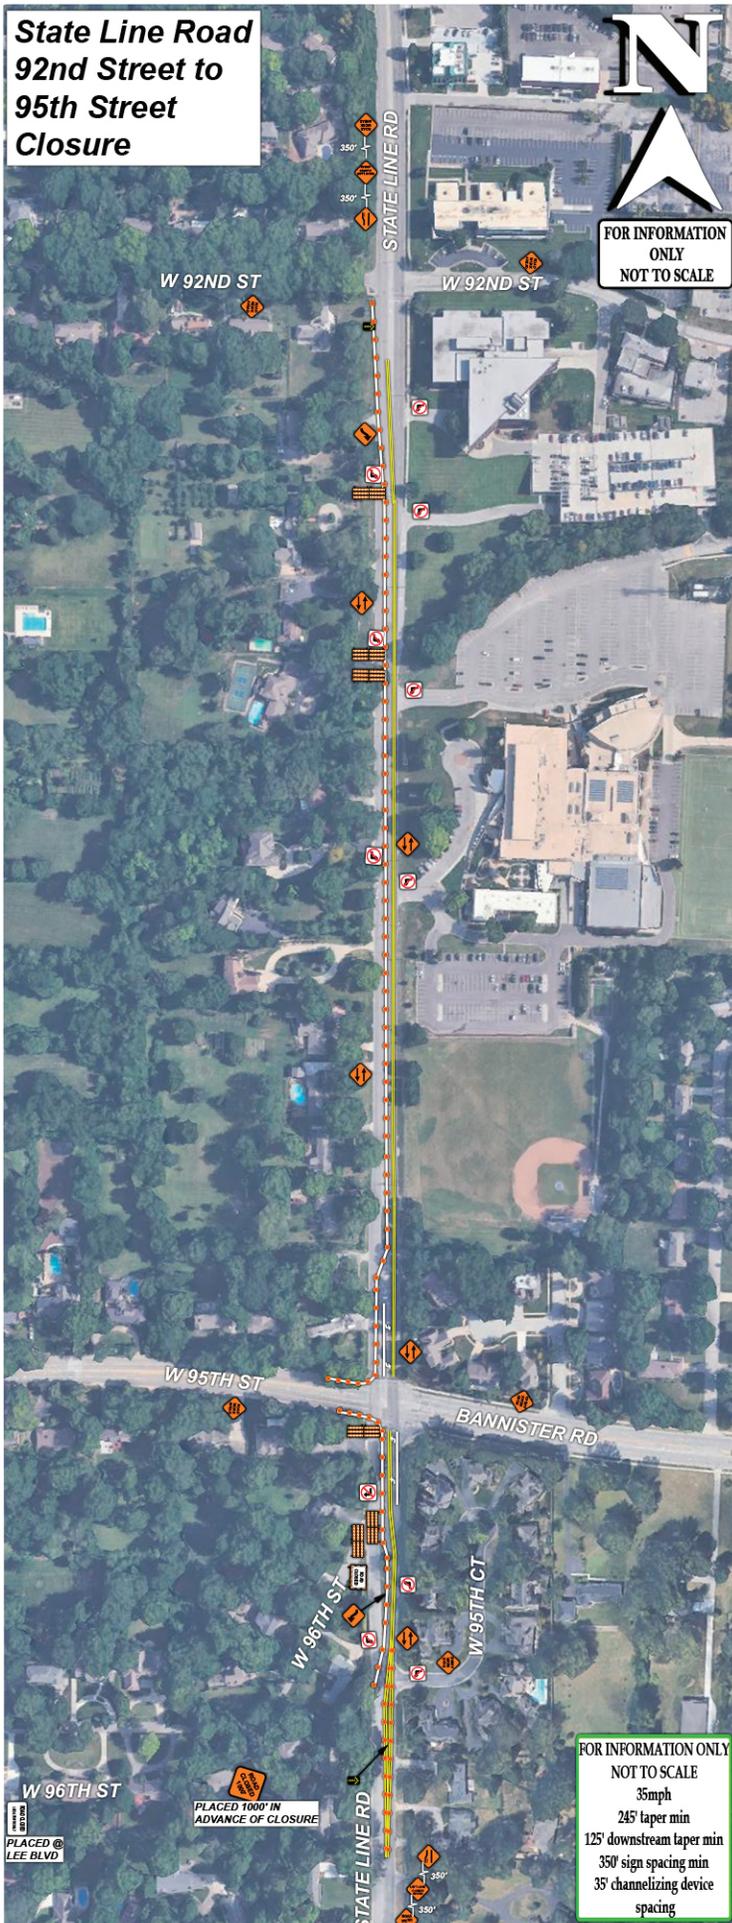

(March 4, 2026 – JOHNSON COUNTY, Kansas) State Line Road will be reduced to one northbound and one southbound lane beginning tentatively on March 11. The boundaries of this closure are between 92nd Street and 95th Street and from 100th Terrace to 103rd Street. Please see the attached maps for details.

This closure is due to the construction of a new sanitary sewer forcemain and repaving of the southbound lanes of State Line Road. Work in these areas is expected to be completed in May, weather permitting.

This work is part of the State Line Pump Stations and Forcemain project. To learn more about this project, or to sign up for notifications, please visit us online at [jcwprogram.com/stateline](http://jcwprogram.com/stateline).
